

A fee will be charged for all events (including practice/training events) for which a permit is issued and includes cover by the event public liability policy. The fee will be applied towards the Motorsport UK's costs of the Insurance policy, including any insurance premium amount, Insurance Premium Tax and any other applicable taxes, and administrative costs. The indemnity limit of the event public liability policy is £100 million, any one accident or incident.

This permit fee will be calculated on the number of competitors signed on and in attendance (per capita) or a flat rate for the event, as detailed opposite.
