## ***Grass Production Car Autotest***

***A second opportunity to visit the venue  
(nr Illington off A1075 between Watton & A11)***

***One not to miss***

***Very good grass surface***

***The Micra 'fleet' will be available for use  
on a first come first served***

***BBQ***

***Documentation from 5 with first car away at 6 although  
test layouts will be the same all evening***

***At least 3 runs at each test***

***Usual all forwards straight forward test layouts with the  
promise of something a little different***

***Regs will be available very shortly on the website  
([www.scon.co.uk](http://www.scon.co.uk))***
